The contemporary door range consists of beautifully designed and crafted handle levers. All the handles have concealed fittings which give them a classical clean look. The handles come in a number of different functions with a variety of colours to suit your taste and décor.

For matching entrance and combination locks to suit the above Series 7 style only, please refer to Series 8.

SERIES 8 [Large Rose: 65mm]

To transform old doors into a new modern look, Series 8 handles are ideally suited for the renovator. With the large rose, you have great coverage when concealing existing predrilled holes.
